## **Pearson eText for Diversity Consciousness: Opening Our Minds to People, Cultures, and Opportunities**

What I love about the text is that it is informational and it provides a sound base for the learner to start from.

## **Diversity Consciousness: Opening Our Minds to People, Cultures, and Opportunities / Edition 4 by Richard Bucher**

The tools in this book and the dialogue are essential to having an understanding of how to navigate through our diverse society. Â What I value in this book are the stories, the exercises and opportunities to listen through others about their experiences on various topics. This text has made teaching the information so much easier.

ERIC

It seems that each time there starts to be a gap in the material, Mr. The National Institute for Staff and Organization Development also honored him for teaching excellence.
