What schools do to prevent problem behavior and promote safe environments. In schools with higher levels of collective hostility—as measured by student reports of feeling unsafe, the presence of gangs, and fighting between different groups of students—student reading achievement suffers. The applicant must provide the local share of the net project cost in cash, or in-kind, and must document in its application the source of the local match.

## **Welcome**

One of the reasons for our success is our attention to detail, combined with honesty and a strong work ethic.
