Klemens H. FISCHER

It does not encourage migration, nor discourage it. Then we do not need to set rules and create incentives, because decisions are out of the hands of national authorities. For as long as entry barriers hinder competition, as long as scarce budgetary resources are not channelled to support job creation and innovation, and as long as the burden of adjustment is disproportionately borne by the weakest in the society, these rigidities will not allow any rebasing of growth on a sustainable footing.

Article 21

People in Europe generally feel disconnected from EU decision-making and question whether their voice is being heard.

Research Papers

Euro area countries were immediately affected by the global financial crisis through at least two channels. Within the scope of application of the Treaties and without prejudice to any of their specific provisions, any discrimination on grounds of nationality shall be prohibited. No one may be harmed, preferred, or discriminated against on these grounds.

Klemens H. FISCHER

Samiska folkets och etniska, språkliga och religiösa minoriteters möjligheter att behålla och utveckla ett eget kultur- och samfundsliv ska främjas; 9
 § Domstolar samt förvaltningsmyndigheter och andra som fullgör offentliga förvaltningsuppgifter ska i sin verksamhet beakta allas likhet inför lagen samt iaktta saklighet och opartiskhet. Without the strain on public finances generated by the recession that ensued and by balance sheet losses of European banks, euro area governments would not have been so vulnerable to stress in sovereign bond markets. The rules governing fiscal sustainability have become tougher, with more powers given to the Commission.
