Three Years in California. William Perkins' Journal of Life at Sonora, 1849

Elizabeth passed away early in life in 1878, leaving William alone to raise their young children. His father roused himself, went out into the snow to seek the boy, and finding him, brought him back to mother him before the fire. .

F865.P453 1964

Finally one lad, frantic, rushed out into the snow to seek her in the woods. It is now required by federal law for all states to keep death records, but what must be included in a death record can vary. The restriction expires within 50 to 100 years, depending on the state.
