## The Great Transition in the Making: the Eastern Zhou

For his part, the ruler should do whatever it takes to strengthen the state, whether it is immoral or not. Confucius was perturbed by this.

## Chinese Civilization and It's Characteristics

Chinese compass The first Chinese compasses did not use needles. All of the key governing institutions of imperial China came into being at this time. The magnet inside the compass indicated North and South direction.

## Chinese Civilization in the Making, 1766

From the North of the NorthEast China, crossing the autonomous regions of Inner Mongolia and Ningxia, up to those of Xinjiang and Tibet, microlithic objects, and their cultures are spread out: Yangshao culture in the middle of the Huanghe River and the Majiayao culture up-stream. The
