More Misbehavior Threatening the Unity of the Orthodox Churches in America? — Monomakhos

Readers familiar with Myers' writings will recognize much of the content here from previous works. It is like an urge that comes on, like I used to experience the urge to smoke I have quit and am smoke free now for 10 years, thank God.

Talk: Armenian Genocide/Archive 3

On the contrary, the Church unites in herself the universal with the national.

More Misbehavior Threatening the Unity of the Orthodox Churches in America? — Monomakhos

Where in the natural law do you find the basis for the sacred priesthood and how is it fulfilled in the Sacramental expression of the Church?
Reading by women although not ordination to the readership has become a fairly standard practice in a lot of parishes in many jurisdictions over the past few decades, as has bringing baby girls into the sanctuary when they are churched.

Theistic Evolution: A Reasonable Compromise?

Even if this could happen by some strange new process unknown to science today, there is a logical problem. That natural marriage exists and has moral value is clear in Fr.
