## Pasodoble

KEY TOPICS The Enlightenment, also known as the Age of Reason, was a philosophical movement that took place primarily in Europe and, later, in North America, during the late 17<sup>th</sup> and early 18<sup>th</sup> century. As for classical music, two fundamental schools determined the course of the century: that of and that of. The music of is first firmly dated to c.

## Classical period (music)

These poets favoured the trobar clus or ric or a hybrid of the two. Most striking of all was the Enlightenment salon — periodic social gatherings of writers and intellectuals for the exchange of ideas, presentation of written material, and display of works of art, typically under female leadership and direction.

## Classical period (music)

Alongside these schools of sacred music a vibrant tradition of secular song developed, as exemplified in the music of the , and. Confucius and disciples such as considered this preference virtueless and saw ill of the leaders' ignorance of.

## FREE e

Tunas have become one of the main forces keeping Spanish pasodoble alive.

## FREE e

It expanded rapidly during the Age of Enlightenment, reaching practically every country in Europe. The fruits of their labors was a declamatory melodic singing style known as , and a corresponding staged dramatic form a form known today as.

## **FREE e**

The most commonly cited one is harmonic innovation. The present study aims at broadening this scope.
