Creating a transnational identity

She is Series Editor for the series on Women and Migration in Asia, Volumes 1-5 SAGE 2005-2008 and editor of Vol. It is also critical to examine how these connections are integrated into vertical and horizontal systems of connection that cross borders.

Transnational Migration and the Politics of Identity

The second generation A transnational approach to migration still remains controversial. It is to understand how ordinary individuals and organizations negotiate these challenges, who wins and who loses, and how they redefine the boundaries of belonging along the way.

Transnational Migration and the Politics of Identity

This disconnect between the better-off individual and the perpetually needy collective also creates a challenge for targeting programmatic resources.

Transnational migration and the politics of identity by Thapan, Meenakshi

The American experience is also a product of what goes on in India, the United Kingdom, South Africa, and other countries where South Asian immigrants live. For instance, the children of Mexican immigrants who travel to Mexico and return better able to understand the meaning of being Mexican in New York are exercising their membership in a transnational social field.

Article: Transnational Migrants: When Means..

What about individuals who cannot afford their rent in the United States because they are too busy sending remittances? Editor Thapan sociology, Delhi School of Economics, U.
