## **Mark Twain, A Biography, 1835**

In one of his home letters, later, he said of her: She was the most refined, intelligent, cultivated lady in the ship, and altogether the kindest and best.

## **Mark Twain himself : a pictorial biography / produced by Milton Meltzer**

Severance recalls another incident which, as he says, was trivial enough, but not easy to forget: We were having a little celebration over the birthday anniversary of Mrs. I hardly knew what I was going to talk about, but it went off in splendid style.

### **Biography**

Gaily satirical and personal—inclusively so—it might better have been left unwritten, for it would seem to have given needless offense to a number of goodly people, whose chief sin was the sedateness of years.

### **Psychoanalytical Perspective of Author Mark Twain**

But when we got near the building I saw that all the streets were blocked with people, and that traffic had stopped. They wanted him also to read the address to the Emperor, but he pointed out that the American consul was the proper person for that office.

## **Mark Twain himself : a pictorial biography / produced by Milton Meltzer**

And in terms of what is perhaps the most important criterion, comfort with reality, it can be argued that he was not comfortable with his reality at all, based on his obsession with his Hannibal boyhood and with the young girls who acted as surrogates for his already-grown daughters.
