Hoover A, Cooper RA, Ding D, Koontz AM, Cooper R, Fitzgerald SG, Boninger ML, Manual Wheelchair Use and Reported Pain, Proceedings of the 27 th Annual RESNA Conference, Orlando, FL, CD-Rom, June 20-22, 2004. He left this practice in 2007 for a fellowship and research in Magnetic Resonance Imaging at the University of California at San Diego. Assistant Professor of Endodontics at Faculdade de Ciências da Saúde - Universidade Fernando Pessoa, Porto, Portugal, from 2002 till 2008.

Data and code availability are lacking in most studies, and human comparator groups are often small. ECR 2021 Online Attendees of ECR 2021 Online can expect one of the biggest online programmes in radiology ever, featuring state-of-the-art science, education and research presented by medical imaging professionals from across the world.

## Radiology Conferences 2021/2022

We will investigate associations of early recruitment patterns with overall recruitment by correlation and multivariable regression. This will facilitate the design and implementation of these models and promote the development and use of associated clinical decision support tools, as well as manage concerns regarding accuracy and bias.

## Speakers

No registration number for this review is available. Lam WN, Mak AFT, Tam WC, Cooper RA, Kinematics of the Wrist, Elbow and Shoulder During Manual Wheelchair Maneuvers, Proceedings of the 2 nd Joint Meeting of the IEEE Engineering in Medicine and Biology Society and the Biomedical Engineering Society, Houston, TX, October 23-26, p.
