## Isolated Games

A space travel adventure where YOU say which way the story goes. The use of information, services and data offered by ISOLATED GAMES SL, will not go against the provisions of these conditions, law, morals, good customs or public order or in any other case, may involve injury to the rights of others or the operation of websites.

### **Between the Stars Free Download (v0.5.0.3) » GOG Unlocked**

Most You Say Which Ways tend to avoid the topic of gender, especially by never referring to the player character in the 3rd person. The first page launched me from my London sofa out into the universe on several thrilling adventures. This was a lot of fun to read.

### **Between the Stars by D.M. Potter**

Do you want to be a space explorer? This is an unusual but absorbing book.

### **Steam Community :: Between the Stars**

I loved the spider bots. They learn as they dream. You can use FDM which is free , or any other download manager.

## Isolated Games

But the way to the one death I found went against Between the Stars rules. In the introduction, and at least one other place, the narration says you may be too old to enjoy your freedom on the colony planet if you stay awake for too long. Since the book is rigged in your favor, you may not notice when it isn't playing fair.
