Chalkhill blue

It is actually $\frac{3}{4}$ romance and $\frac{1}{4}$ historic fiction. The spoken words and sound worlds on Chalk Hill Blue often seem to emerge from subliminal processes of call and answer; a fertile blurring of collective inspiration and intention circling this abstracted chalk landscape.

At the best sites the butterfly can occur in thousands, but it can also survive at quite low densities at sites where grazing has been abandoned and the grasses grow tall. Meriel reminds me of Scarlett O'Hara in so many ways. I bet that helped with the technical production side then? And thus Graeme Stroud morphs into Chalkhill Blue.

Chalkhill Blue Butterfly (Lysandra coridon)

The general ground colouring is ochreous-yellow, inclining to olive-yellow on the abdomen and greenish on the thorax and amber on the head and pro-thorax. They fluttered slowly over the low-growing herbage, which consisted of rock-rose *Helianthemum vulgare* , thyme *Thymus serpyllum* , horse-shoe vetch *H.*
