## Art, Alienation, and Nature: Adorno's Homesick Aesthetics

In so doing, art provides insight into the immediacy of nature by exposing us as distant and alienated from it. There are a couple of folks in my life who would do well to read and follow these important things you wrote here on listening.

## Art, Freedom, and The Bechdel Test

Conditioned self-distancing from real existence has been a goal of art from the beginning.

## Art, Freedom, and The Bechdel Test

Meanwhile, what Gluck stressed about African tribal architecture was true in all other cultures as well: sacred buildings came to life on the model of those of the secular ruler.

## Why AR is better than VR for artists and creatives.

We are an international collaboration of talented individuals who have come together to display the creative abilities of people on the autism spectrum and others who are neurodivergent. Private property is this product, result, and necessary consequence of externalised labour, of the external relation of the worker to nature and to himself. Where is the art world turning to? Art since these times has been caught up in a contradiction.

## The Art of Alienation

There is a certain Zen-like quality in practicing listening. Marx argued that capitalism deformed art in a number of ways.

## Art, Alienation, and Nature: Adorno's Homesick Aesthetics

Why limit your audience to only a glimpse at your expressive talent or a single word in your creative voice when you could take them on an entire journey, sing them an entire story, or simply immerse them in the inner workings of your mind? It evolves, it warps, it reshapes itself as the moment

of expression evolves. This group of anonymous artist women dress as gorillas get the word play? Registration for Artivive is completely free — so there is no reason not to start playing with our augmented reality applications right away. If this were the end of the story, it would appear as if Adorno has led himself into a dead end.

### **The Case Against Art**

. He says, how you doing, Bud? Occasional clunkiness is probably unavoidable in any work like this, but it feels like some social dimensions are missing here. His work is not voluntary but imposed, forced labour.

### **An Inside job: lockdown has finally been turned into the stuff of irresistible art**

Chris writes: For Marxists, the root of alienation lies in capitalist exploitation, in the fact that the capitalist owns the means of production in society and runs production for profit.
