## The Invisible War: The African American Anti

Open your eyes and discover an invisible world you never knew existed. Some Christians believe strongly in the existence of demons and spiritual warfare. Inside is the true story with 60 photographs of a war that was kept from the American people, a war fought right in its own back yard.

## The Invisible War: The African American Anti

In witness whereof, a scant 40 years after the termination of the Third Seminole War, African fighters would ally with the northern armies during the Civil War in order to finally bring the enslavement system to an end. Kly twice won the prestigious Gustavus Myers Outstanding Book Award in 1990 for International Law and the Black Minority in the US, and in 1995 for A Popular Guide to Minority Rights.

### Invisible War by Y.N. Kly

He canvasses to the reader that the deployment of formidable spiritual arsenals listed in the book would put man in charge of his destiny, give him his deserved dominion and guarantee his championship for the best in life instead of slaving under the domination of some cosmic forces.

### Reader's spotlight #5: "The Invisible War"

There are invisible courts where decisions are made and verdicts are passed which influence visible happenings on this side of the divide and reflect such streaks in the elemental system in an unhinged manner. It is indeed a missing part of American history and should be incorporated into the American story. Our library is the biggest of these that have literally hundreds of thousands of different products represented.
