Freshman deaths show risks of transitioning to college life

Tens of millions of Germans and Japanese were driven from the wreckage of their homes to join the hundreds of millions of people already flooding the roads of Europe and Asia. Bender gets out of the frame. The first act is touched by the slightly clammy coolness of a stone cathedral on a sultry morning; the second is filled with a humid, lilac-scented night breeze drifting down a cobblestone alley; and the last act overflows with the hot, lush air of a sunlit meadow in the depths of the untouched German countryside.
