## New Directions in Regional Economic Development

Discusses how contact between Persia and the Greeks in antiquity has influenced discourse about the opposition between East and West in the modern world. HASS-H Surveys Japanese history from the establishment of the Tokugawa shogunate in 1603 to the present and explores the local and global nature of modernity in Japan. Emphasis on use of primary sources in translation.

## New Directions in Regional Economic Development

Devine, 'The Demand for Agricultural Labour in East Lothian after the Napoleonic Wars', Transaction of the East Lothian Antiquarian and Natural History Society, 16 1979 T. The Economy since 1700 Edinburgh University Press, 2005 , 71-99 T.

## New Directions in Book History

And yet, the conferences of the Economic History Society and the were full; new initiatives such as the brought popular spinoff workshops.

## Women and American Politics: New Questions, New Directions

Putting Social History Back into Place, Katrina Navickas University of Hertfordshire, UK 5. Second, you only get unambiguous qualitative results out of highly simplified models. Devine, 'An End to Disadvantage? It introduced a method of inquiry—social construction of technology, or SCOT—that became a key part of the wider discipline of science and technology studies.

## Why historians and economists should study each other's subjects

This 'Ron Jones' 1965, 1971 technique was open to the criticism that it only gave approximate answers when the shocks imposed were large; but it was the best that could be done in the '70s and early '80s. Explores structures of the US executive branch, the primary, convention, and election systems, and the Electoral College.

## Australian Social Cohesion: Exploring New Directions

Students taking graduate version complete additional assignments. May also include music, recorded speeches, television programs, visual images, or films.

### **New Directions in Garden Tourism**

Particular emphasis on the study of those factors, both institutional and technological, which contributed to the emergence of capitalist organization and economic growth in western Europe in comparison to the trajectories followed by the other major medieval economies. Description Following on from the success of Garden Tourism this latest offering New Directions in Garden Tourism provides an update on the statistics and growth of the global phenomenon of garden visitation. HASS-H Examines the definition of gender in scientific, societal, and historical contexts.

### **About our staff**

Calibrating theoretical equations to data for one year can be a lot easier than gathering lots of time series data, and estimating structural or reduced form equations. Third, an estimate of the size of the shock.
