Reimagining Church: Pursuing the Dream of Organic Christianity by Frank Viola

A change that is challenging the spiritual status quo and redefining the very nature of church. A fresh concept rooted in ancient history and in God Himself.

Reimagining Church on Apple Books

In presenting this review, I have to disclose that I received a copy of this book from the author to review after establishing contact with Powerful Followup to Pagan Christianity Reimagining Church by Frank Viola is the follow-up to Pagan Christianity by Frank Viola and George Barna. The book argues for the church as an organism rather than the church as an organization. It essentially says, each person has a gifting to offer the body.

Reimagining Church: Pursuing the Dream of Organic Christianity by Frank Viola

Most writers of just about all shades can sound plausible! In Re-imagining the Church Frank Viola gets us back to God's original intention for the church.

Reimagining Church: Pursuing the Dream of Organic Christianity by Frank Viola

Skeptics will cringe at Viola's strident tone and all-or-nothing approach.

Reimagining Church: Pursuing the Dream of Organic Christianity

I closed the book, longing to find this truer expression of church that mirrors the unity and non-heirarchical relationship of the Trinity.

Reimagining Church: Pursuing the Dream of Organic Christianity

The only agenda is the desire to find out what Jesus and the apostles taught about church. I was very impressed by the detail and research that went into this book. And if he wishes to remain logically consistent, then this approach to verses 33 and 34 actually contradict his argument surrounding verses 24-26.

Reimagining Church: Pursuing the Dream of Organic Christianity by Frank Viola

According to Viola, the first-century church, which should be our pattern, met in homes without any official pastor. With predictive response to all the questions that will most certainly arise from those who read this book from the institutional camp, and thus decide they wish to pursue alternative trajectories, Frank Viola provides a short but useful chapter that lends insight on where do we go from here? He returns again and again to these two ideas and how his organic church is right and your institutional church is wrong.

Reimagining Church: Pursuing the Dream of Organic Christianity by Frank Viola

Here we see the triune God taking counsel and planning. Does that somehow not include doctrine related to the church? Introducing readers to the various views of the 'Church' itself, he gives fairly accurate explanations of the various paradigms of meetings, mostly focusing on those in the 'organic' strain.
