Field (physics)

In a different work arena Francesca de Haan's Gender and the Politics of Office Work: The Netherlands 1860—1940 1998 provided a detailed instance of male-female relationships in the Dutch service sector.

Kurt Lewin

Those who had remained at home implicitly or explicitly saw soldiers as killers, and the feminists among them espoused separate spheres after the war. Psycho-logische Forschung 10 : 142—254. They found that an observer travelling deep into the heart of a black hole would encounter not a singularity, but a thin space-time tunnel leading to another part of space.

Quantum Field Theory > The History of QFT (Stanford Encyclopedia of Philosophy)

As our awareness of finer forces in this ascending age grows deeper, we can expect that still subtler forces and fields such as the human bio-field and consciousness will take on increasing scientific importance. These additional predictions, which follow from an analysis of the situation at recall, were borne out in experiments by Zeigarnik and others. Denbo, Tamara 1931 Der Ääger als dynamisches Problem

Gender Theory

For more information on these two lines of research, see Observation Systems. At the same time, they protested and resisted accusations and characterizations.

Ligand field theory

These frameworks were generally binary, consisting of oppositions such as pure and impure, raw and cooked, or masculine and feminine.
