**Standards and Their Stories: How Quantifying, Classifying, and Formalizing Practices Shape Everyday Life / Edition 1 by Martha Lampland**

It shows why they have huge social impact, far beyond what most of us realize, often far beyond what was intended. . Increasingly, however, social scientists are beginning to examine the origins and effects of the standards that underpin the technology and practices of everyday life.

**Standards and Their Stories: How Quantifying, Classifying, and Formalizing Practices Shape Everyday Life by Susan Leigh Star**

The volume begins with a pioneering essay from Susan Leigh Star and Martha Lampland on the nature of standards in everyday life that brings together strands from the several fields represented in the book. The authors show how much of what we take for granted is the result of negotiation, compromise, and occasionally coercion.
