Cambridge, MA: Harvard University Press. In 1970 Goffman became a cofounder of the and coauthored its

This points back to the theory of intending as doing, discussed in section 1. In particular, how does intentional action relate to prospective intention and intention-with-which? In a memorable formulation, Grice 1971, p. Likewise, if I intend to skip breakfast and do so because I forgot about it, my intention was fulfilled, though not by intentional action.

Intention (Stanford Encyclopedia of Philosophy)

Implicit these debates is a question about the scope of groundless non-perceptual, non-inferential self-knowledge. The first four were originally published in the 1950s, the fifth in 1964, and the last was written for the collection.
