### Zechariah Commentary

Shall go forth as the lightning; which breaks forth with violence, and runs from east to west in a moment, which is very terrible many times. The final two chapters of the book are concerned with eschatological battles using apocalyptic language.

### Meyers, Eric M. [WorldCat Identities]

Donkeys are smaller than horses and are used both as beasts of burden and riding mounts.

### Zechariah

Zechariah 14:21 - This is not to preclude the Canaanite or anyone else from worship; the point is that in the messianic age all such ethnic and religious distinctions will be erased and all people will be eligible to worship the Lord. The zeal for the Lord will be so great in the kingdom of Messiah that idolaters will make every attempt to hide their true identity, but their scars will be the telltale evidence of their iniquity. First burden: Prophetic aspects connected with first coming of Christ, Zechariah 9-11 B.

### Zechariah Commentaries & Sermons

### Book Review: Mark J. Boda, Zechariah (NICOT)

Zechariah contains more specific promises relative to the crucifixion than any other Old Testament book except Psalms Zec 9:9; 11:12, 13; 13:6, 7. Haggai, Zechariah 1—8: A New Translation with Introduction and Commentary.

## **Zechariah 9**

GOD spoke through Zechariah and Haggai to stir up their hearts and renew their labors. The angel also serves to transmit prophecies from God to the prophet see below.

### **Meyers, Eric M. [WorldCat Identities]**

He would come as king of Peace, not riding on a war-house, but on a peaceable ass. His careful attention to detail makes this commentary one of the best on Zechariah available today.

**Zechariah 9:14 Commentaries: Then the LORD will appear over them, And His arrow will go forth like lightning; And the Lord GOD will blow the trumpet, And will march in the storm winds of the south.**

Israel Cleansed of Her Sin, Zec 13:1-6. God is jealous for Jerusalem; the nations are indifferent to her. Perhaps this is an example of hearing premillennial interpretations of Revelation in the text of Zechariah.
