Japanese urban legend: Hasshaku

His deception was eventually discovered after he encountered a who was plaguing a village. Tsurezuregusa Ima wa mukashi mukashi wa ima.

Shachiku Succubus no Hanashi (Title)

If he puts a leaf on his head and transforms, he can assume the form of a giant yellow gourd. Come and experience our friendly atmosphere and excellent service. His antics eventually got the real Miroku in trouble.

Hasshaku-sama is an urban legend that originated as a ghost story on the anonymous Japanese posting board 2channel. I have not included this; see the Shin nihon koten bungaku taikei edition of the GSS, or the transcription at the back of the volume containing the facsimile of Teika's text. Also found in the Nihon koten bungaki taikei and other sources.
