### Work contracts

Usually each specific case can be unravelled in a few legal questions that have to be answered in order to reach a final judgement. Once an employee is deemed to be semi permanently based in The Netherlands then you need to realise that Dutch law will be at least partly applicable to the employment contract. All property rights in rem are split off of this principal right.

### Property Law in Netherlands

So, even if a contract has not been signed, but there is verbal agreement, then an employment contract has come into being.

### Corona and contracts in the Netherlands

Employers must satisfy a number of narrowly circumscribed conditions in order to qualify for compensation. Property provisions were arranged around the principle of a direct 'right' in property and the required publication of property titles.
