Water Resources Management Overview

Note: There is growing client demand for World Bank support as the agenda shifts to a focus on reform for WSS service delivery at scale, integrated water resources management and irrigation.

The World Bank

Over the past decade lending for water resources and development accounted for about 16 percent of all World Bank lending.

WATER RESOURCES SECTOR STRATEGY STRATEGIC DIRECTIONS FOR WORLD BANK ENGAGEMENT

Book Reviews do not require abstracts. Integrated water resources systems: Theory and policy implications.

Water Resources Sector Strategy : Strategic Directions for World Bank Engagement

Previous to the approval of the policy, there was a Shipping Guidelines document, approved by the Board in December 1994 BDS 94-161. Accordingly, the Bank has a major interest in helping countries achieve water security through sound and robust water resource management.
