A different hajj in Mecca: Disinfectant

Meanwhile, according to US-based Pew Research Center, 17% of Muslims polled in North Africa and the Middle East, and 13% from sub-Saharan Africa, said they had attended the hajj, compared to just 3% from southern-eastern Europe. While many African Muslims opt to save their pennies for decades, waiting for the opportunity to go on the pilgrimage, a few are lucky enough to get sponsorship from wealthy individuals or companies governed by Islamic faith.
