Ideology and prediction

Like his earlier compatriot, , he guessed the Cold War contenders correctly but he went one step further.

World government

Bellamy claimed that all people voluntarily conformed to the new society of equality based on solidarity and camaraderie. The idea of setting up this cooperative council was first put forward by Kazakh President back in 2006.

The Future Of Mankind

Several members of the first al-Sisi cabinet were also members of the board of the Arab Organization for Industrialization, the most important of the three holding companies through which the Ministry of Defence manages Military Inc.

The Future Of Mankind

While we have benefited from immigration and the melting pot worked with millions of Europeans, the idea we can import endless millions of aliens, legal and illegal, from every culture, clime, creed, and continent on earth, and still remain a country, is absurd.

Timeline of modern American conservatism

If Egypt is to be integrated into global production chains that would gainfully employ its people, then it needs to be perceived by multinational corporations, even those based in China, as a stable country at peace with itself and its neighbours. Leete, credit cards are given to all citizens enabling them to acquire goods and services necessary for a comfortable life.

Day of Reckoning: How Hubris, Ideology, and Greed Are Tearing America Apart: Buchanan, Patrick J.: 9780312376963:

The emergence of a watery liberalism derives not simply from a lack of talent or genius. Since 1992, the Turkic Language Speaking Countries Summit has been organizing amongst the Turkic countries.

Yet they are only ready to listen when they think that Democrats understand their deeply held belief that politics has been corrupted and government has failed. The act simplifies the tax code, reduces the marginal income tax rate on the wealthiest Americans from 50% to 28%, and increases the marginal tax rate on the lowest-earning taxpayers from 10% to 15%.

Ideology and prediction

The military regime that seized power in July 2013 faces particularly intense trials not only because of the means by which it assumed power—which has created a backlash of violent and non-violent dimensions, both of which challenge its legitimacy—but also because of its very nature. . Stuart Hughes, used the term end of ideology in a report on the mood of European intellectuals.
