New Orleans Free People of Color & Their Legacy

Most importantly, and Louisiana Creole remained the languages of the majority of the population of the state, leaving English and Spanish as minority languages.

Louisiana's multi

The Spanish period gave slaves and free people of colour even more liberties and rights than any regime before.

Louisiana's multi

The Louisiana Creole language developed primarily from the influence of French and African languages, enabling slaves from different tribes and colonists to communicate. The Spanish crown sought non-Muslim slaves, which explains the large Congo presence within the local slave population during this period.

Creoles

In 1800, Spain ceded it back to France; in 1803, New Orleans, along with the entire Louisiana Purchase, was sold by Napoleon I to the United States. First let me say this was a great article! The planter society viewed it as a binary culture, with whites and blacks the latter including everyone other than whites, although for some years they counted mulattos separately on censuses.

New Orleans Free People of Color & Their Legacy

This tradition is overshadowed by the Americanization of Louisiana and the racial struggles that ensued post-Civil War.

French Creoles

This is a very lucid and enlightening exploration of a unique element of American heritage and culture.

African American History in New Orleans

In other cases, relatives who were already free and earning money purchased others. My mother was a quadroon, my father a white man. This means that all people born in the New World, both Spaniards and Guinea Negroes, were now considered criollo.
