**Faces of Latin American Protestantism by Jose M. Bonino (1997, Trade Paperback) for sale online**

We should not forget either that, in the eyes of Latin American republics, most of Europe did not just represent modernity: it also embodied monarchical rule, colonialism, and archaic institutions. In Latin America, horizontal camaraderie, as defined especially by Benedict Anderson, was hardly a part of the imagining of the national community.

## The Psychology and Methods of Proselytism

When a Great Tradition Modernizes: No longer did the kings function as the official heads of the church and its mission.

## Publications by Allan H. Anderson

Princeton: Princeton University Press, 2001. In fact, Anabaptists and, more narrowly, their successors the Mennonites, as alternative and cohesive communities that were Christian, pacifist, and non-state, influenced historical developments. Vatican II represented an international conference where high-level Catholic religious figures rethought Church policy and discussed processes of modernization Vatican II Online Documents.

## The Significance of the Cross in Latino/a Perspective

Washington, DC: Institute for International Economics, 1990, pp.
