**Postmodifying Clauses in the English Noun Phrase by Pieter de Haan**

The relativizers whose and of which in present-day English: description and theory.

## A Corpus

Master of Arts , Shiraz University, Shiraz, Iran.

## Contrastive Analysis: Gorontalones and English Noun Phrase

Hypes in RCTs are most prevalent in Discussion sections and most frequently serve to aggrandize the methodology and sell the paper. All examples used are drawn from real samples of English. Discussion This paper examines noun modification in the Cartagena Military Submarine Corpus CMSC , a corpus of texts curated by the Spanish Defence Authority from 2000 to 2012 and used by Navy submariners at the Spanish Navy Submarine Warfare School as their main non-classified source of information.

## analysis and ESP pedagogy: Noun

A contrastive description of English and Dutch noun phrases.

## corpus

The material used was carefully selected from a public database to provide a 'manuscript' that reflected participants expectations of a research article and reputable editorial and peer-review assessment of the 'manuscript'.

## Knowledge Discovery in Grammatically Analysed Corpora, Data Mining and Knowledge Discovery
