How 'Mad Men' Became the Perfect Show for the Pandemic

Not taking the rejection lightly, Garner, Jr.

10 Best Episodes of Mad Men

You weren't supposed to be dating employees.

Mad About Mad Men

When Pete is unable to convince Don to promote him, Pete reveals that he knows about Don's past. Shirley becomes Lou Avery's secretary for the remainder of his time at SCDP. While Don kicks the door down and chases his wife around the apartment, tackling her in the living room, he chases the love they once had as it slips from his fingers.

Mad About Mad Men

This striving for verisimilitude serves another purpose: Weiner seems to hope that getting the vintage mitten clasps and IBM Selectrics right will help viewers believe that outrageously un-PC attitudes and behavior were as common as the series shows them to be. I read and reread those books and imagined that voyage so vividly that I knew I had to do it one day. During the season 5 premiere, Megan mentions to Peggy that Don really doesn't like Harry, and thus wouldn't want him to attend his birthday party.

The Foreign Language of 'Mad Men'

Although this book is full of descriptions of the terrible conditions the men faced when the sea was at its worst, the insight into *A Voyage for Madmen* by Peter Nichols is excellent.

The ultimate Mad Men quiz: how much do you really know about Don and co?

She is soon given control of her own account, creating a campaign for a weight loss machine.
