Binding is tight, hinges strong.

Capitol Riot: How the Christian Right Helped Foment Insurrection

This fervent relationship, which has survived the events of January 6th, is based on far more than a transactional handshake over judicial appointments and a crackdown on abortion and LGBTQ rights. A poll conducted by the Public Research Institute that while Trump left office with his lowest overall favorability rating since his 2016 campaign — 31 percent — his approval rate was twice as high among White evangelicals.
