I was and still am in shock. I am now a single mother, looking to grow and evolve into a better person, rebuild my self-esteem and possibly find a partner in life, but my friend keeps pulling me back into a dark place every time we speak.

### greetings

Email Etiquette By Ali Hale If you work in an office, you probably write emails every day — to colleagues, to your boss, to clients. I am not sure if this is a personality trait I must live with or if you have some ideas to improve this situation.

### Dear all, (als Anrede)?

I receive more than 500 e-mails per day. I can't speak for the world at large, but this is what I have encountered in normal business communications for the past thirty years.

### dear everyone

. It seems obvious to me that the correct form is Dear All.

### 35 Salutations to Use (Salutations List) [2021]

Yet, because of these two phenomena, top-posting somehow becomes acceptable. What is appropriate for your friends, can cost you a lot at a big company.
