## Documentary explores the disturbing appeal of QAnon

The , who were seen as an offshoot of the hippie movements parodying as a political party, came to national attention during their celebration of the 1968 , when some 3,000 of them took over in New York, resulting in 61 arrests.

## The Office: The Dark Reason Why Dunder Mifflin Was Being Filmed

First, as a convenient one-stop-shop source of reliable information and thoughtful comment on a huge subject it will prove useful for some years to come. I get that I'm not going to be able to resist this conservatorship. The New Left A Documentary History Author: Massimo Teodori Publisher: Bobbs-Merrill Company Date: 1969 The fact that a New Left exists in the United States today, in 1968, is the proof of a reality which manifests itself both in society at large and in the political arena.

## 'The Bee Gees: Mend a Broken Heart' HBO Documentary Review

The introduction presents a solid overview of the history of these movements, combining chronological and thematic approaches against the backdrop of Cold War liberalism. In the 20th century, preservationists undertook a major restoration of the area. They're hearing what they want to hear.

## The Movements of the New Left, 1950

The 82-minute long documentary is composed of previously unseen police footage and social media content detailing Shanann and their young daughters Bella and Celeste in August of 2018, for which he is currently serving.

## Britney Spears left 'emotional' but 'hopeful' after new documentary

This institutionalization took away all but the most radical members of the New Left.
