He had been close to graduating from high school when his family was sent to Manzanar. During World War II, 15-year-old Tommy Yamamoto and his family are forced into the Manzanar internment camp for Japanese Americans. In this case the story involves Tommy Yamamoto a This book is a combination of text and comic book style illustrations and the use of this combination works very, very well.

### **Mystery at Manzanar: A WWII Internment Camp Story by Eric Fein**

The spine may show signs of wear. The spine may show signs of wear. Hofer posted about his finding on a Facebook forum, describing inaccurately that the skull appeared to be fractured and the shoes were the type worn by rock climbers.

### **Bookshop**

At first, Hofer thought the bone was more animal remains, but upon closer inspection he realized it was a human skull.
