The Story of Redemption

Not truly, in that there is no separation, so they will be watching and feeling and having their own judgment of things, but it is not going to be to the place where they have intercession and take over. Kansas Historical Society; Harvard University; University of Wisconsin; etc.

Lucifer

He was one with the Father before the angels were created. They rewrote their contract with us, but we never caught their deceitful use of the words.

Proclamations

He ruled the kingdom of the dead, which had the same name. Again the loyal angels warned him, and assured him what must be the consequences if he persisted; that He who could create the angels could by His power overturn all their authority and in some signal manner punish their audacity and terrible rebellion.
