La capacità di Berlin è quella di mostrare dove arriva la ragione e dove comincia la sragione e che se tutto è ed appare indistricabile dobbiamo saper comunque tenerci saldi, per fare ciò bisogna conoscere le proprie razionalità ed irrazionalità, con tale presupposto scrive di filosofi 'irrazionali' e 'razionali', da Hamann a Kant. Eight of the nine pieces included here are published for the first time, and their range is characteristically wide: the subjects explored include realism in history; judgement in politics; the history of socialism; the nature and impact of Marxism; the radical cultural revolution instigated by the Romantics; Russian notions of artistic commitment; and the origins and practice of nationalism. A New York Times Notable Book of the Year Isaiah Berlin's The Sense of Reality contains an important body of previously unknown work by one of our century's leading historians of ideas, and one of the finest essayists writing in English.

Does this say more about me than the book? Reading Berlin is like being made a party to a wonderful conversation, on equal terms. I love to read his writing but I have to really study it because he gets over my head so quickly. Berlin tsks the enlightened rationalists for failing to anticipate the rise of nationalism.
