Aquinas does not offer one cohesive treatment on the issue of creation; Kerr synthesizes discussions from across his works in order to present a unified Thomistic metaphysics of creation. He defended it on 10 April 1756 Kuehn 2001, p. Physical existence is a limitation condition under Real Life.

Immanuel Kant

The Genesis of Kant's Critique of Judgment.

God and the New Metaphysics (Blue Dolphin Publishing)

One wonders then whether or not essence and existence can be related as potency and act only on the presupposition of the existence of God. From this vantage point, Kanterian's interpretive thesis about Kant's earlier works through The Only Possible Ground seems to be not only? These concepts were independent of all objects.

God And The New Metaphysics

Kant saw that the mind could not function as an empty container that simply receives data from outside. Geis shows how modern physics and spirituality are centrally involved in this debate.

Edward Feser: The metaphysics of the will

Hamburg: Felix Meiner, 1992 Schriften zur Transzentalphilosophie 10. This is sufficiently obvious from the fact that the images imprinted by objects very close to us are a hundred times bigger than those imprinted by objects ten times farther away, and yet they do not make us see the objects a hundred times larger; instead they make the objects look almost the same size, at least if their distance does not deceive us.
