But at Sativa the friendly staff also has your postsmoking needs in mind: A wide variety of self-detoxification kits is on display here, perfect for those occasions when your employer takes a sudden interest in your urine. I have made thousands and, on other occasions, I can also take a picture directly from the film and I use it as a cover. Fortunately the rest of Blue Note remains unchanged, as do the odds that something funky is going to be playing on the stereo when you step through the front door.
