## Growth and structure of the English language : Jespersen, Otto, 1860

Accessories such as CD, codes, toys, may not be included.

## Growth and Structure of the English Language on Apple Books

The edition that I bought, I'm happy to say, is in the good old format that you can tuck in your pocket. Everyone will certainly consistently touch as well as us their gizmo when awakening and in early morning tasks.

**Jespersen, O. (1905). Growth and Structure of the English Language. Leipzig B. G. Teubner.**

ENG 241 - Growth And Structure Of The English Language Department: English Description: An introduction to the history of English designed to help students understand language change and the emergence of contemporary English. .

## How the English language has changed over the decades

This early work Otto Jespersen was originally published in 1905 and we are now republishing it with a brand new introductory biography. The

English language is no different — but why has it changed over the decades? He worked as an academic at Copenhagen University and rose to the position of professor of English, a post he held from 1893 to 1925. Due to these influences, a language always embraces new words, expressions and pronunciations as people come across new words and phrases in their day-to-day lives and integrate them into their own speech.
