## How a Tokyo Earthquake Could Devastate Wall Street and the World Economy

This week, the 22-year-old article resurfaced online—here, in full text, is the original piece. Diplomats, sailors, spies, traders, and other expatriates lunched at the Grand Hotel on Yokohama's Bund and prowled the dockside quarter known as Bloodtown.

printing. The symbol of the university is the leaf, from the trees found throughout the area.

## University of Tokyo

The sudden scarcity of money abroad has been the most dramatic effect of the destruction of Tokyo. Most residents in the coastal areas of the Sendai plain did not know that a tsunami had visited their residential areas about 1,000 years earlier, resulting in the largest number of victims in the Miyagi prefecture 9,536 dead and 1,302 missing persons.,

## 'This is not a story': Tokyo braces for the earthquake of a century

The pond's contours are in the shape of the character kokoro or shin , and thus its official name is Ikutoku-en Shinjiike.

## **The Earthquake and Fires**

We in the West might disagree.

### **The Great Kanto Earthquake of 1923**

It destroyed almost everything with only a few hundred people surviving. On March 11, 2011 at 14:46 Friday , the Great East-Japan Earthquake magnitude 9.

### **The Great East**

In fact, the faculty and graduates, in collaboration with the Tohoku University Hospital, responded rapidly to provide medical assistance and to contribute to restoration of the affected areas. The innovative design used to construct the Imperial Hotel, and its structural fortitude, inspired the creation of the popular toy. Tōkyō: Nihon Keizai Hyōronsha, 1997.

### **The Great Kanto Earthquake that devastated Japan, 1923**

The Niigata-Chuetsu earthquake magnitude 6.
