### Wonderfeminists

I saw that one of my male friends liked a post making fun of women and dudes holding up pro-feminism signs and that a lot of guys think this is hilarious. I know she wants to have kids.

### Mr. Right or Mr. Right Now... The Case for Good Enough

It was never my intention to mislead, it was an issue I discussed at length with my fiance before writing my posts, and it is part of the reason why I wish to set the record straight. I just considered myself a person who had had a series of unfortunate, unwanted sexual acts performed on her that she had to subsequently keep quiet about due to stigma.

### Jack David Zipes, Don't Bet on the Prince: Contemporary Feminist Fairy Tales in North America and England

Your care for each other will be a large part of your way forward. And despite growing up in an era when the centuries-old mantra to get married young was finally and, it seemed, refreshingly replaced by encouragement to postpone that milestone in pursuit of high ideals education! But the only choices on the table, it sometimes seems, are settle or risk being alone forever. Shoichet, Josh Levs, David Ariosto, Jason Hanna, and Dana Ford.

Right yet, surveyed the idyllic scene.

### How far we've come: older feminists on the battles they've faced

It's not prescriptive, it's not dogmatic. I am a rational person, however, so I know to distinguish between those times that creepy guys walked up to me on the dance floor and started grinding on me without permission with the time that my blackout drunk father put his hands all over my intimate areas despite my verbally and physically expressed resistance. Take the date I went on last night.

It comes across as unprofessional and pandering towards an imagined demographic of stereotypical, air-headed young women. This continues into adulthood, and adult men often find themselves wary of trying to initiate new friendships or maintain close contact with old friends, for fear of people making negative assumptions. With decades of experience, she is a fitting successor to Barack Obama.

### **20 Famous Feminists**

Comedian, writer, actress and producer, Kaling has consistently proved to be a pioneer in her industry.
