### The Playoffs Are Coming to Buffalo. Fans Don't Want Andrew Cuomo There

The thing that concerns me is the injuries with Kyle.

### The Buffalo are coming.....

. Depth at this position is also something that needs to be addressed in the offseason.

### The takes are coming

Enter this season as the starter opposite Gilmore, McKelvin has had his best year yet. The story opens with the floating outfit making a visit to Mulrooney, switches to the Wedge and a group of easterners driving the buffalo--though little detail about the drive is actually given--and then ends with the floating outfit swooping in to save the day once again in the town of Hell in the Palo Duro country. Mike Pettine has this defense humming all over the place.

### The takes are coming

He went from being all but off this team to an asset at safety. I love watching him come through on blocked on the exotic blitzes Pettine throws out there.

### Family Feud auditions are coming to Buffalo

CB McKelvin — I scratched my head when the Bills signed McKelvin to a 4 year 17 million deal.
