## The Avalon Project : The Dialogue Concerning the Exchequer. circa 1180

In 1836 the paymaster general of the Forces, the treasurer of the Navy and the treasurer of the Ordnance were amalgamated into one post, and in 1848 this post was combined with the paymaster of civil services into a single paymaster general for all voted services. Afterwards appointed by the King,—patent, 25 August, 1532.

## Home : Officers : Chancellor of the Exchequer

The chancellor holds the formerly independent office of as a subsidiary office.

## Office of the Exchequer

Now proceed, if it please thee, concerning their offices, beginning on the left of the president.

## Chief Baron of the Exchequer

All external links are not part of the Meridies web site. The issues for the internal debt are the more effectually safeguarded in that they are made direct to the Bank of England or of Ireland without passing through the hands of the executive Government at all. The Dialogus de Scaccario, or Dialogue concerning the Exchequer, is a mediaeval treatise on the practice of the English Exchequer written in the late 12th century by Richard FitzNeal.
