## Indians, Franciscans, and Spanish Colonization: The Impact of the Mission System on California Indians The New Latin American Mission History

The Council of the Indies and the Board of Trade Throughout its history, Spanish colonial administration in Latin America was tightly controlled by royal officials in Spain. The next year, having seized huge amounts of treasure, the Spaniards executed the Inca emperor. These orders are discussed in more detail later on in this article.

The overwhelming effect was one of order, magnificence and beauty. But between 1768 and 1800, the mission population fell by almost half and the economy became insolvent. Spanish society in these fringe areas long had a frontier character, and lacked the presence of numerous Spanish women, practicing Spanish artisans and wealthy transatlantic merchants.

## The Black Experience in Colonial Latin America

Among the best general surveys of the black colonial experience is. Despite being affected before the introduction of missions, the buildings allowed rodents to infiltrate living areas and spread disease more rapidly.

## Hispanic Heritage Month

Cook, it goes beyond earlier works by drawing on archaeological reports, as well as extensive archival and secondary sources.
