## From Poverty to Power: How Active Citizens and Effective States Can Change the World

The Urgency of Now, Oxfam 2008; ISBN 978 0 85598 629 2; 62pp; £3.

Tony Gibson, 'Streetwide Worldwide: Where people power begins', Duncan Green, 'From Poverty to Power: How Active Citizens and Effective States can Change the World' and Duncan Green and Isobel Allen, 'The Urgency of Now'

A lot of the information is duplicated in the different parts of the book and there are so many references to data that they become both overwhelming and, in some way, meaningless.

## From Poverty to Power : How Active Citizens and Effective States Can Change the World

The author presents the problem of poverty of the reader in a clear and simple manner and covers a range of topics the focus is range, rather than depth. From poverty to power how active citizens and effective states can change the world amazonde green duncan sen amartya k fremdsprachige bucher.

## From Poverty to Power

This book deals with how to alleviate poverty in the world.

Tony Gibson, 'Streetwide Worldwide: Where people power begins', Duncan Green, 'From Poverty to Power: How Active Citizens and Effective States can Change the World' and Duncan Green and Isobel Allen, 'The Urgency of Now'

From Poverty to Power also contains hopeful stories Botswana and Mauritius, for example , but these are embedded in a complex, encyclopedic, rather academic study. This book argues that leaders, organisations, and individuals need to act together, while there is still time. From Poverty to Power argues that to break the cycle of poverty and inequality and to give poor people power over their own destinies a radical redistribution of power, opportunities, and assets is required.
