ROM Moms - Morning

Get out of the house and spend some time as a ROM Mom (or Dad)! Join us for a six-week journey through the ROM's collections. Enjoy a morning of conversation and adult learning in a baby-friendly environment. You will have the opportunity to bring your little one along with you. You can touch, eat, read, and play along with you. Each week includes a gallery tour and lab led by a ROM Educator. Participants will receive a certificate of completion and a small gift. This is a great interactive learning for me!

For adults with children ages 0-2 years. Maximum 12 Participants.

Other siblings welcome.

What you need to know...

What does the ROM Moms program include?

The ROM Moms program consists of a combination of tours through the galleries with a ROM Educator and it is afterwards where participants can touch museum artifacts, discuss galleries and answer questions about the exhibits. You can bring your stroller or baby carrier if you struggle to walk, a nurse, discover artifacts along with you, or meet other babies on our play mat.
