## Garden Opening Timetable 2021

From those who keep hives, host wild bee colonies or provide homes for solitary bees, to wonderful wildflower meadows and garden planting designed to encourage and support pollinators, we have a fabulous diversity of bee-friendly gardens to explore.

## Scotland's Gardens Scheme Open Garden: Willowhill, Newport On Tay

Take the B995 to Newport off the Forgan roundabout. Please look at our website for the hospital estate map for directions to the garden and available parking.

## Scotland's Gardens Scheme Open Garden: Willowhill, Newport On Tay

Personalized content and ads can be based on those things and your activity like Google searches and videos you watch on YouTube. Many of our garden openers have extended their normal visiting hours this year to help with this. We do not advise offering sit-down catering, indoor or out.

## Scotlands Gardens Scheme, Nationwide

Highlights Guided tours Groups are welcome. All information whether in text or photographs is supplied in good faith but should not be relied upon as being a statement of representation or fact. Once we receive your details we will arrange for a local Organiser to contact you to discuss further arrangements and schedule a visit.

## Scotland's Gardens Scheme

Join Mary Berry and the National Garden Scheme, and celebrate your own garden this summer to raise money for some of the most important and best-loved nursing and health charities in the UK. Just sign up, invite your guests and have fun. Please see our website or guidebook for details on each individual garden.

## **Open Your Garden**

Turn left into Govan Road and the hospital is on the left. Spectacular mix of roses, herbaceous perennials and annuals planted through the wide borders are a highlight in mid to late summer. Please bear with us and be ready to cooperate with any requests to delay your visit.

## **Open Your Garden**

Maggie's Cancer Caring Centres which help anyone affected by cancer through programmes of support designed to give people the tools they need to cope with the major upheaval cancer causes in their lives.

## **Open Your Garden**

This fully accessible garden creates a peaceful sanctuary using planting, with a wealth of variety, colour and seasonality in every corner.
