The 10 Most Famous Artists Of All Time

The medium also continues to serve practical purposes.

Genius in the Backlands: Popular Artists of Brazil

This short volume, however, is not as comprehensive or as representative as readers interested in Brazilian naif art would have the right to expect. Euclides da Cunha's classic account of the brutal campaigns against religious mystic Antonio Conselheiro has been called the Bible of Brazilian nationality. To the experts, these artists' activity suggests that the woodblock print tradition is likely to remain fresh and vital.

Tesoros Trading Company

Seeming oblivious to worldly concerns, he barely ekes out a living by running a small print shop in Caruaru, a market town 25

Genius in the Backlands: Popular Artists of Brazil by RODMAN, Selden

Starting as a child, the Japanese artist began to suffer from hallucinations that manifested as flashes of light or auras, as well as fields of dots and flowers that talked to her. But it is far more, for Da Cunha is more than just a military observer.

Genius in the Backlands: Popular Artists of Brazil

Like the lurid dime novels of the 1940s and '50s in the United States, the covers bear graphic, exaggerated depictions of the contents. First, the author makes no reference to the work of certain important naif artists. The only case of its kind in history, it held out to the last man.
