## Tasting Pleasure by Jancis Robinson

Her list of achievements is unmatched. Anyway, I must have remembered Jancis Robinson's show when I bought the book, which I then put on the shelf and promptly ignored it for the next sixteen years. ~ ThriftBooks: Read More, Spend Less.

## Wine Books You Need To Add To Your Reading List

There is nothing whatever wrong with wine lovers who simple pour wine with careless gusto down their throats. Then again, I am European! Basically, it's a memoir about how Robinson got started as a wine journalist, and some of her career highlights well, up to the late 1990s, when it was published.
