**Haruki Murakami: 'You have to go through the darkness before you get to the light'**

A irányzatát követő és humoros írásainak visszatérő téma az elidegededés, a magány, a vágyódás és a szerelem. This is another way in which he has been highly influential in the history of Japanese literature in translation.

**Haruki Murakami**

Nominated for the Nobel prize several times, he is also quite popular among young Chinese literature lovers for his exquisite style. In 2006, he received the Franz Kafka Prize, said to be a strong indicator for future Nobel laureates. It came with a black and white photo of the young writer playing baseball with his father.

**Haruki Murakami: 'You have to go through the darkness before you get to the light'**

A tokiói Vaszeda Egyetemen rendezői szakon tanult. Introduced by the Shanghai Translation Publishing House, the books include Rain, Burning Sun and Far Away Drums.

**Murakami Haruki: Breaking New Frontiers for Japanese Literature**

He then returned to the bizarre of his earlier trilogy with Dansu Dansu Dansu 1988; Dance Dance Dance. When Russia was changing from the Soviet Union — there was big confusion and my books were very popular. Murakami has a theory that this mesmerising literary formula appeals particularly in times of political chaos.

**Japanese Writer Haruki Murakami Speaks Up on His Family's Involvement in the Sino**

According to him, his father barely talked about his war experiences, except those cruel memories that he mentioned once. Critics and researchers

have shown their appreciation in recent years, but he seems to have won overwhelming allegiance from general readers in Japan and overseas much earlier due to his superb psychological portrayal of shared anxieties from an individual perspective.

**Haruki Murakami: ‘You have to go through the darkness before you get to the light’**

We believed the world would get better if we tried. At the same time, he has maintained a distance from the Japanese literary establishment.
